MEETING MINUTES

1. CALL TO ORDER

Ms. Andrea Stuart, Co-Chair, called the Support subcommittee meeting to order at 10:45AM with five members present, two members absent, and one staff present.

2. WELCOME/INTRODUCTIONS

Ms. Berisha Black welcomed everyone and asked members to introduce themselves.

3. APPROVAL OF MINUTES

Ms. Black asked members to review minutes from the April 16, 2019 meeting and called for a motion to approve the minutes. Ms. Leslie Reprogle motioned to approve the minutes and Ms. Marcia Stanton seconded the motion. The motion passed with no dissenting votes.

4. ACEs Support Group

Ms. Leslie Reprogle, who serves as the ACEs Support Group Pilot facilitator, reported that the first two weekly meetings of the pilot focused on the parents ACEs, and the third weekly meeting will focus on what's happening to the children and their Adverse Childhood Experiences (ACEs). Ms. Reprogle said the materials being referenced include the Karyn Purvis Institute of Child Development, Trust-Based Relational Intervention (TBIR) and the work of Dr. Bessel van der Kolk's, The Body Keeps Score: Brain, Mind and Body in the Healing of Trauma. Ms. Reprogle shared the meetings are on target and the feedback is good.

Ms. Reprogle provided members the number of participants attending, explaining the first ACEs Support Group Pilot meeting had nine participants, three of which were male. The following ACEs Support Group Pilot meeting also had nine participants, however, one woman was absent and a new woman showed-up. In all, ten individuals have participated. Subcommittee members agreed that after the second week the support group would be a closed-group. Ms. Reprogle added she will follow-up with the woman who was absent if she is not at the third meeting.

Though general invites had been sent out, Ms. Reprogle reported most of the participants where there because of existing relationships either through the River of Life Church or through pilot co-facilitator, Ms. Berisha Black. Members took into consideration that in the future a general ask may not be effective. Ms. Black added that Ms. Katie O'dell told her that a mom's group is very interested in having an ACEs Support Group.

Co-chair, Ms. Andrea Stuart thanked Ms. Reprogle and Ms. Black for their hard work and "labor of love" (as Ms. Reprogle refers to it).

Members asked about the two-part group survey. Ms. Ann Carver provided an update adding there will be an interview over the phone that is ACEs focused and a post-test satisfaction survey. Ms. Carver asked members to let her know if there were any questions they recommended to add.
